

The 21 Distinctions of Wealth in 21 Days Checklist

The 21 Distinctions of Wealth are from the book “21 Distinctions of Wealth: Attract the Abundance you Deserve”. Each Distinction is designed to be read once a day for 21 days. Start with the first distinction and read it three times a day. When you have completed the first distinction move onto the next one, and so on and so on until you complete all twenty-one.

Use this checklist to keep track of how often you recite the affirmations. Each day you’ll make three Xs in that day’s box if you recited the affirmations three times in accordance with the program:

1. When you’ve said your affirmations in the morning, place an X in the first space in the box.
2. After your second recitation, which you’ll do at some point during the day, place an X in the second space in the box.
3. After your third recitation at night, make a third and final X in the box.

Please don’t quit the program if you start forgetting to recite your affirmations! Every day offers you a new opportunity to recommit yourself to this important program for creating wealth.
